Jane,

You may already have this information, but I wanted to share with you what was shared at the OPA Meeting this morning as you mentioned you had a meeting coming up on Weds re: the Comm Strategy for this topic.

- Comments are expected to be sent on June 13<sup>th</sup>.
- Kelly mentioned that in her conversation with Jared on Friday, he expressed the following:
  - o Didn't want to have a large press presence.
  - o However, wanted to have a factsheet and FAQs developed for the press officers because the comments for the EIR/EIS will be very technical.
  - o Wanted to have a series of congressional calls/outreach to those in congress that signed the letter of support for the BDCP.

Again, sorry if this is information you already knew, I wanted to make sure you had the same info I did.
